17/115 Apologies Cllr D Wells, Cllr R Hannigan

17/116 Declaration of Interest – no matters to declare.

17/117 To approve the minutes of the Parish Council Meeting held on 9th January 2017

IT WAS RESOLVED to adopt the minutes of the parish council meeting held on 9th January 2017 and authorise the Chairman to sign the minutes.

17/118 Matters Arising not on the Agenda

i) Highway and traffic matters – update: Once all the works have been completed 'golden rivers' will be put down and data collected which will be compared to the data collected prior to the new road layouts. This data will dictate if any further action is required. Cllr Broddley met with representatives of Costain to discuss the road closures planned this weekend which will take place between 9.00am on Friday morning until Sunday evening. Costain have offered to place a man in a van to the entrance of the village preventing ALL vehicles entering the village from that end – this would prevent residents accessing the village from that end.

IT WAS RESOLVED with 5 votes in favour and 1 vote against to allow the road to remain open.

The planned completion date for all these roads works is now 23rd March 2017. The Eastfield Road traffic lights have been upgraded to allow traffic to flow more freely. Costain will undertake a sweep of all redundant signs prior to the road closures this week to ensure the road closure signs are clear and current.

It was noted that South Killingholme have a 7.5t weight limit sign for their village – Cllr David Wells had asked North Killingholme PC last month if they required weight limit signs for North Killingholme but it was thought that as North Killingholme village is within a weight restriction area the additional signs were not necessary.

ii) Emergency lighting repairs to village hall – This work has been completed.

17/119 Report from Total LOR – Ms Brimble reported that everything at the plant is running smoothly – 2019 will see the next capital investment/turnaround and Inspection. LOR intend to go into local school to advise teachers and children about the community alarm systems. The clerk to put the dates for the community alarm testing on the website. The work to the traffic lights outside the plant is on-going and the intention is that N.L.C will take over the maintenance/responsibility for these lights. The method of communication with the parish is still under consideration and it is hoped that some form of acceptable electronic system can be introduced in the future.

17/120 Opportunity for Members of the Public to Speak

The member of the public present advised the meeting that he felt that the speeds on the local roads e.g Top Road should be reduced – particularly in light of a road traffic accident at the Lancaster Approach junction today. The chairman reiterated that N.L.C do have a plan concerning the monitoring of all the local roads after the road works have been completed and the parish should allow N.L.C to carry out their plan at the appropriate time.

It was agreed that N.L.C should be asked to inspect the road markings at the Lancaster Approach junction with a view to reinstating them.

17/121 Planning

Opportunity for one person from each side to state, within 3 minutes , objections/support of contested applications.

- i) Application PA/2017/44 – P.P to vary condition 3 and 4 of PA/2016/1654 – Able UK, Rosper Road, North Killingholme.

17/124 North Lincolnshire Council Matters

- i) Reports from N.L.C representatives: Cllr's Clark and Wells inspected Clarkes Road and N.L.C have agreed to scrape back the grass growth and try to improve the condition of this road. The markings(lack of) around the village green have been reported and will be reinstated. Cllr Wells is looking into the bus service. Clerk to chase N.L.C regarding the overgrown hedge on Top Road. Cllr Clark advised the meeting that all residents in Ferry Ward received an information leaflet on the 'Callconnect' bus service.
- ii) New N.L.C/Highways matters to report – No new matters to report.

17/125 Correspondence

VANL – training course diary. Rural Services Network – information
N.L.C – weekly road works list.. Various emails regarding road closures – Costain

17/126 Parish and Village issues

- a) Grant application update – the application has been submitted and acknowledgement received.
- b) New village/parish matters – Cllr Broddley raised a concern regarding the number of vehicles using North Killingholme Airfield Industrial Estate and asked if there was any mechanism available to restrict the number of lorries/trailers by restricting the operators licences (restricting the number of vehicles they can have on their licence) or by restricting the number of operators working out of this industrial estate – in order to hold or reduce the size of business operating from that estate.
The fire extinguishers are due for service in June.
Cllr Robinson asked if she could have the use of the hall on 9th April for a history group meeting. Cllr Robinson also advised the meeting that a memorial relative to the village is to be returned shortly.
The electricity contract for the village hall is now with OPUS energy.
