Cllr D Chapman, Cllr M Russell, ,Cllr K Robinson,

**In Attendance** Cllr's R Hannigan, D Wells, Clerk: Mrs K Pickering,  
6 members of the public.

#### **PUBLIC FORUM**

A member of the public advised the meeting that HGV traffic along East Halton Road was still as bad as ever – there are many foreign drivers using this road/route illegally and unfortunately there is an awful lot of litter and waste thrown from the vehicles which needs clearing from the verges and hedges. Clerk to ask Andy Tate at N.L.C to arrange another litter pick/clear up.

The flashing speed awareness signs should be picking up data regarding the illegal vehicles passing along this route however it is disappointing to note that no Police enforcement – although promised in June – has taken place.

A meeting with N.L.C representatives and martin Vickers MP has been arranged for this Friday 14<sup>th</sup> September at 11.30am in Hewson House, Brigg – Cllr's Broddley and Robinson will attend this meeting which is primarily to discuss the problem of the waste on the airfield.

The meeting was advised that the flypast at next years 550 squadron celebration will take place over the Church to prevent holding up traffic.

The irregularity of speed along East Halton Road/Top Road was discussed and it was agreed that making the full length of the road – from the roundabout at South Killingholme through East Halton to 40mph was a sensible solution. Clerk to speak to Ian Jickells at N.L.C to ask if this is feasible.

#### **18/60 NATS Meeting**

i) New Police matters – no matters to report.

ii) NATS Meeting – Next meeting scheduled for Thursday 20<sup>th</sup> September at 6.30pm at Goxhill parish rooms.

#### **18/61 North Lincolnshire Council Matters**

i) Reports from N.L.C representatives: Cllr Hannigan advised the meeting that Environmental Health Officers from N.L.C, 2 Ward Officers and a South Killingholme Parish Councillor visited the site on the airfield where the waste is stored and found no evidence that the flies are originating from this area. N.L.C are endeavouring to find the source of the flies but this is proving very difficult. A meeting with Martin Vickers MP is being held on Friday 14<sup>th</sup> September to discuss the problem of the waste disposal and there is some hope that the Environmental Agency may pick up the bill for its disposal.

ii) Traffic/Highways – Roy Hindmarsh has provided traffic data taken from the 'golden rivers' to councillors and residents. The result of this data has allowed 2 flashing speed awareness signs to be erected from September 2018 – April 2019 when hopefully enforcement will start.

iii) Flashing Speed awareness signs - The two flashing speed awareness signs have been erected on East Halton Road – unfortunately one sign near Garden Village is on the wrong side of the road (due to no power on the other side) and this does make the sign function incorrectly on occasions. It is hoped that power will be provided on the 'correct' side of the road and the sign changed over to ensure this sign is functioning to its best. The clerk has asked Roy Hindmarsh to quote for the purchase of one of these signs.

The promised donations to purchase a speed awareness sign have now been received.

iv)Blocked Drains – The drains have been jetted to try to clear them of the silt and oil and investigations are under way to try and establish where the oil getting into the drainage system is coming from.

v)Junction East Halton Road – assessment for further white lines or additional signs – Cllr Wells to progress.

vi) New N.L.C/Highways matters to report – There is a blocked drain near The Ashbourne Hotel – near the Post Box. Clerk to report. Some work has been undertaken on Rosper Road – no work has commenced on Chase Hill Road.
