

# Covid-19 Community Help in your area

Are you concerned about leaving your home or unable to because of Covid-19/Coronavirus? Have you begun to self-isolate or are you likely to soon?

If you need someone to run an errand, shop for essentials, pick up a prescription, chat on the phone or help with technology, whatever it is – we will try to help!

We are a group of people living in the **Ferry Ward villages\*** who are coming together to help out in the community at a time when many people might be unwell and/or struggling with self-isolation.

We want to ensure that nobody is left isolated or without the help they need. We won't ask or demand anything of you in return, we just believe in helping each other in a time of difficulty.

If you need assistance, or want to find out more, please get in touch with your parish council clerk in the first instance – see the Helpline Contacts panel opposite.

## Can you help a neighbour?

Whatever you can offer – a trip to the shop/pharmacy/post box; food drop-off; online or telephone support or a friendly ear; a hot meal or a dog walk... we'd like to hear from you!

To register as a volunteer\*, please email your name, number and the area/road you're happy to volunteer in to **Vicky Haines** (details opposite).

By keeping a list of volunteers known in our communities, we can put some steps in place to help safeguard the most vulnerable.

\*Data and details will be kept securely and in strictest confidence and will not be shared publicly.
