

News about our village VE Day Celebrations

It is with regret that we need to inform you that due to the Coronavirus pandemic, we have had to make the difficult decision to reschedule our village VE day celebrations.

Did you know that North Killingholme held their VE day celebration on 8th June 1946? Therefore our celebration next year will be held as close as possible to that date in June on **12th June 2021**. This will mark 75 years since OUR village celebrated. I'm sure many will agree that whilst it is a shame to cancel the event this year, it will be something nice for us all to look forward to and also pertinent that it will mark such a special date for our village.

The day will be just as special with the brass band, raffle, fancy dress, buffet and church service. Please save the date in your diaries and keep a look out for more details.

We would like to thank LOR and the Ashbourne Hotel for their continued support.

Village Hall Closure

We have also had to make the decision based on guidance from the government that the village hall needs to be closed until further notice. We will keep you updated when we are able to re-open.

Parish Council Meetings

Parish council meetings have also been placed on hold due to the Coronavirus. We can confirm that there will not be a meeting held in April and at present, we cannot advise when

the next one will be. Please keep a look out in our notice board (on the wall of the Ashbourne hotel) for our next meeting agenda.

Parish Council Vacancies

We would like to inform you that Cllr Birgit Shelley and Cllr Gary Soulsby have resigned from the parish council. We would like to take this opportunity to thank them for all of their work.

This means that we now have 2 vacancies on the parish council. We really hope that you would consider joining us. We have lots of great things planned for the village and would love to hear your ideas and thoughts. If you are interested in joining us, please give Katie a call or email (contact details below) for more information.

Look after yourself

Now all that is left to say is please take care of yourselves throughout this difficult and uncertain time. Please also look out for those elderly and vulnerable people around you where possible.

There is lots of information and advice available on the NHS website to look after your physical and mental health and wellbeing and ideas about how to stay physically active in your own home: <https://www.nhs.uk/>

If you do not have access to the internet and you are worried, please contact any of the numbers below.
