The last year for the Parish Council has been all about getting things back on an even keel after two tempestuous years and many changes in personnel and the dreaded Covid. We have managed to get the village hall operational again thanks to Prax, Lindsey Oil Refinery and sorted out the finances with the bank and the paperwork associated with running a Parish Council. Moving through 2022 the council will that responsibility for the village verge cutting and also looks forward to celebrating the Queen's Platinum Jubilee in June. A busy year but now we can look forward to supporting the village and continuing to work and collaborate with our industrial neighbours, in particular Prax, Lindsey Oil Refinery and our three ward councillors.
